Dear Ms Thurlow

**LISTED BUILDING CONSENT APPLICATION FOR THE PART REMOVAL
AND REPLACEMENT OF THE SOUTHERN RETAINING WALL OF THE
HADLEIGH BRIDGE, BRIDGE STREET, HADLEIGH**

On behalf of our client, Tesco Stores Ltd, we hereby submit an application seeking listed building consent with regard to the above work on the listed Hadleigh Bridge. The application consists of 3 copies of each of the following documents:

- Application form
- Certificate B
- MRPP Site Location Plan at a scale of 1:2,500.
- Supporting Statement (including Design and Access Requirements), February 2008.

The listed building consent application to remove part of the retaining wall of the Hadleigh Bridge relates to a separate planning application for a proposed foodstore development on the Brett Works and adjoining land. The Brett Works is allocated for a food supermarket development within the local plan. The part removal of the retaining wall of the Hadleigh Bridge is necessary to accommodate the vehicle access to the foodstore development. Please see the Supporting Statement for further detail. The Supporting Statement covers the relevant requirements that would normally be contained within a Design and Access Statement.

We look forward to receiving confirmation of receipt of this listed building consent application and to discussing the proposal further with you.

Yours sincerely

Robert Posselt
